The Down Syndrome Association of Greater St. Louis

Our Mission: The mission of the Down Syndrome Association of Greater St. Louis is to benefit the lives of people with Down syndrome and their families through individual and family support, education, public awareness and advocacy.

Our Vision: The vision of the Down Syndrome Association of Greater St. Louis is to be the most comprehensive resource on Down syndrome. We envision a community where all people with Down syndrome can achieve their full potential.

Our Programs: The DSAGSL serves nearly 1700 individuals with Down syndrome of all ages in the greater St. Louis region. We offer new family support to parents who have received a pre- or post-natal diagnosis of Ds. We connect families with mentors and community groups. We offer therapeutic and recreational programming for individuals with Down syndrome as well as education and resources for caregivers. We work with educators and health professionals so that they may better serve our members and families. Staff and self-advocates

engage in policy and legislative advocacy at a local and national level to create better communities for people with disabilities. Finally, we aim to create a more inclusive and equitable world through awareness activities so that people with Down syndrome may learn, play, work and live like their peers and siblings.

What is Down Syndrome?

Down syndrome is a genetic condition that causes delays in physical and intellectual development. It occurs in approximately one in every 671 live births. Individuals with Down syndrome have 47 chromosomes instead of the usual 46. It is the most frequently occurring chromosomal disorder. Down syndrome is not related to race, nationality, religion or socioeconomic status.
