

LEAP Series Workshop

How to get the most from your IEP meeting

Join the DSAGSL and Education Specialist Tara Lavigne for a workshop on Individualized Education Plans. Participants will get tips on how to get the most out of an IEP meeting, learn about the IEP document, as well as examine the parents role in the development of the IEP. Parents and caregivers will leave with a better understanding of how to address concerns and how to be pro-active in the planning of each IEP.

Kids are invited to explore the exhibits at Healthworks Museum with volunteers during the workshop!!
